

Energy Label and Ecodesign

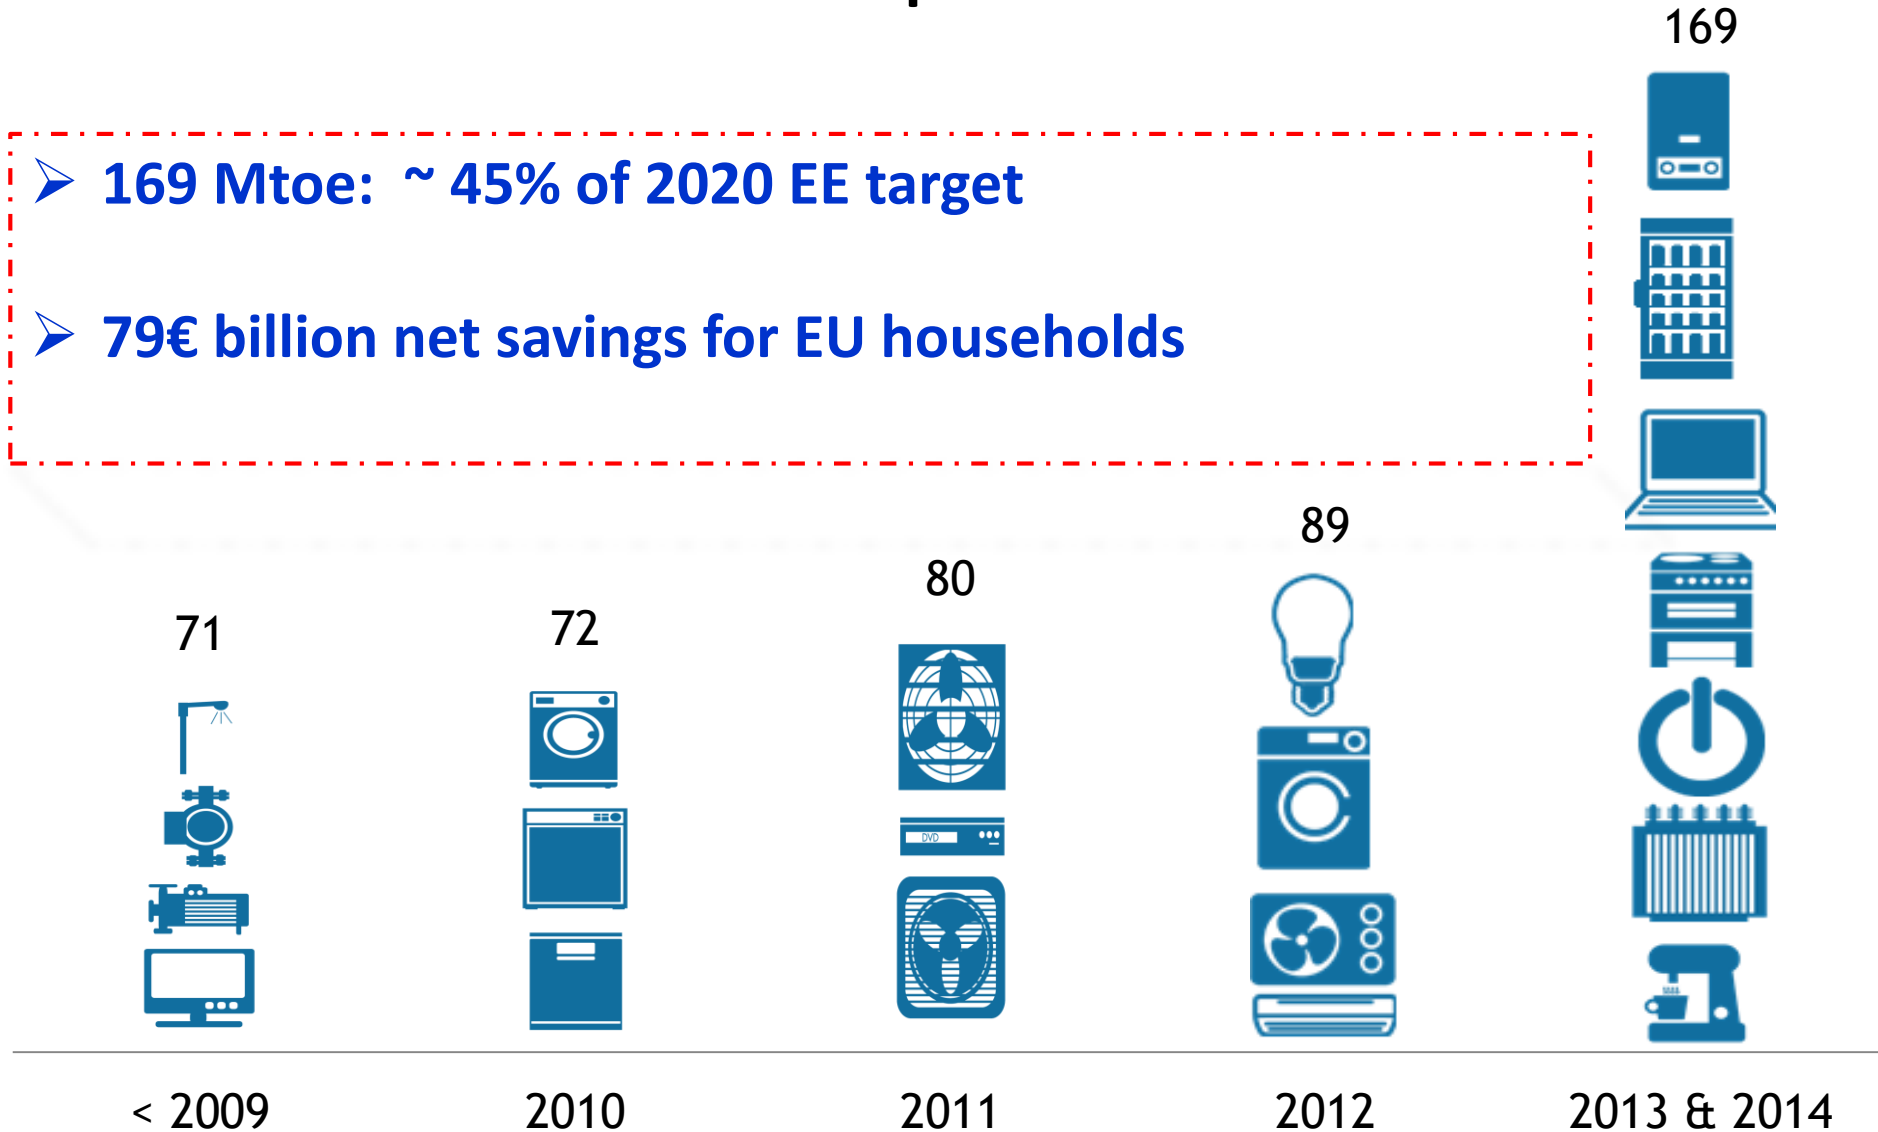

Product policies that deliver concrete savings

Stamatis Sivitos, ECOS

EP Dinner debate
EUFORES
18 Nov 2014

Cumulative annual energy savings (Mtoe) by 2020 from adopted measures

- 169 Mtoe: ~ 45% of 2020 EE target
- 79€ billion net savings for EU households

Beyond energy savings

Water savings

Durability

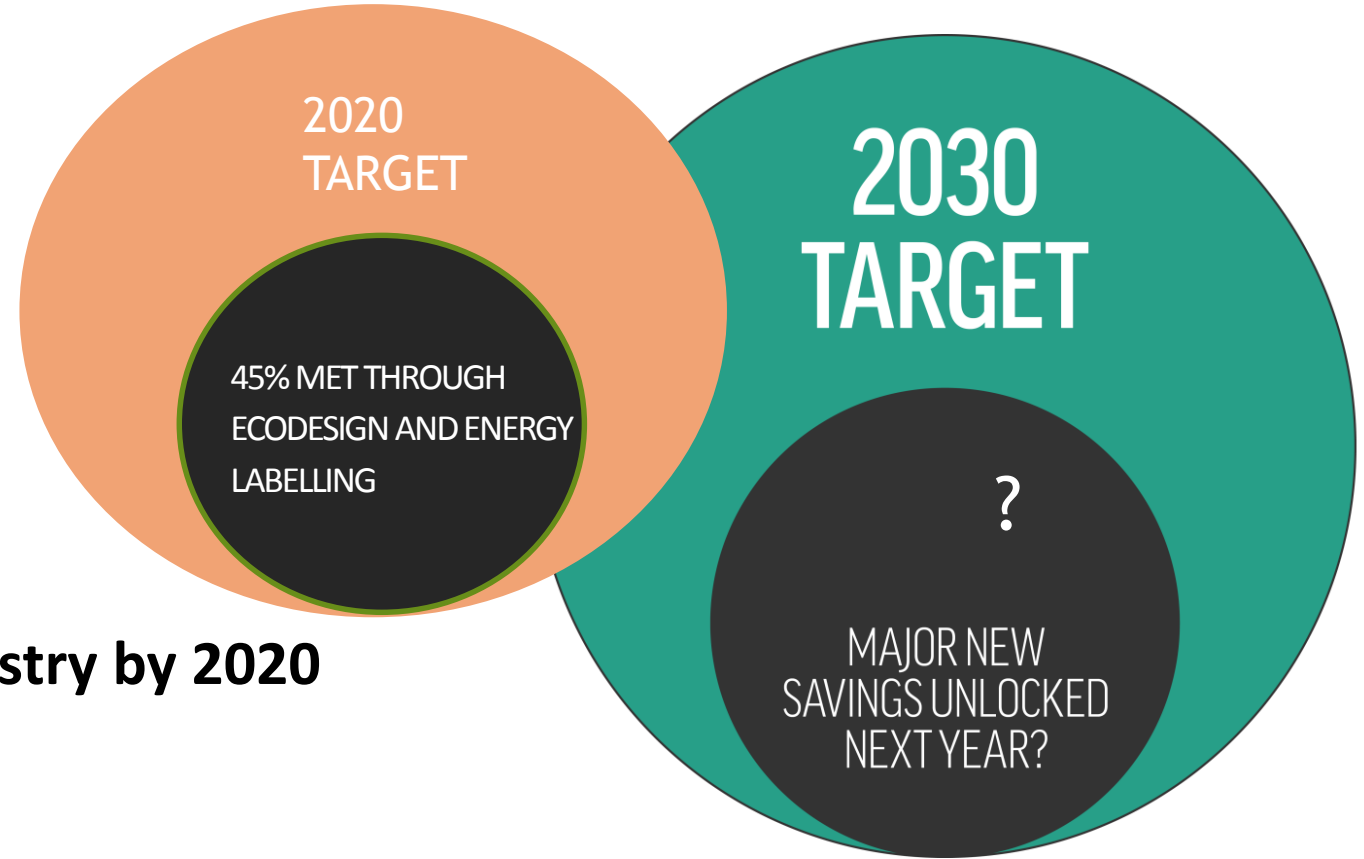

Beyond energy savings

Air pollutants

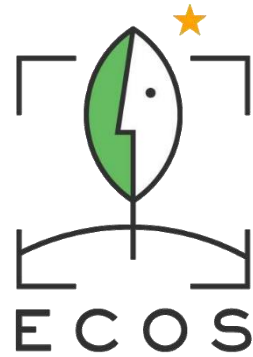

Noise

- **54€ billion extra revenue for industry by 2020**
- **800 000 extra direct jobs by 2020**
- **Significantly decrease energy dependence on Russia**

➤ **Ambitious revision of the policies can unlock further multiple benefits by 2030**

THANK YOU

Stamatis Sivitos
