

“Heating and cooling consume half of the EU's energy and much of it is wasted.”

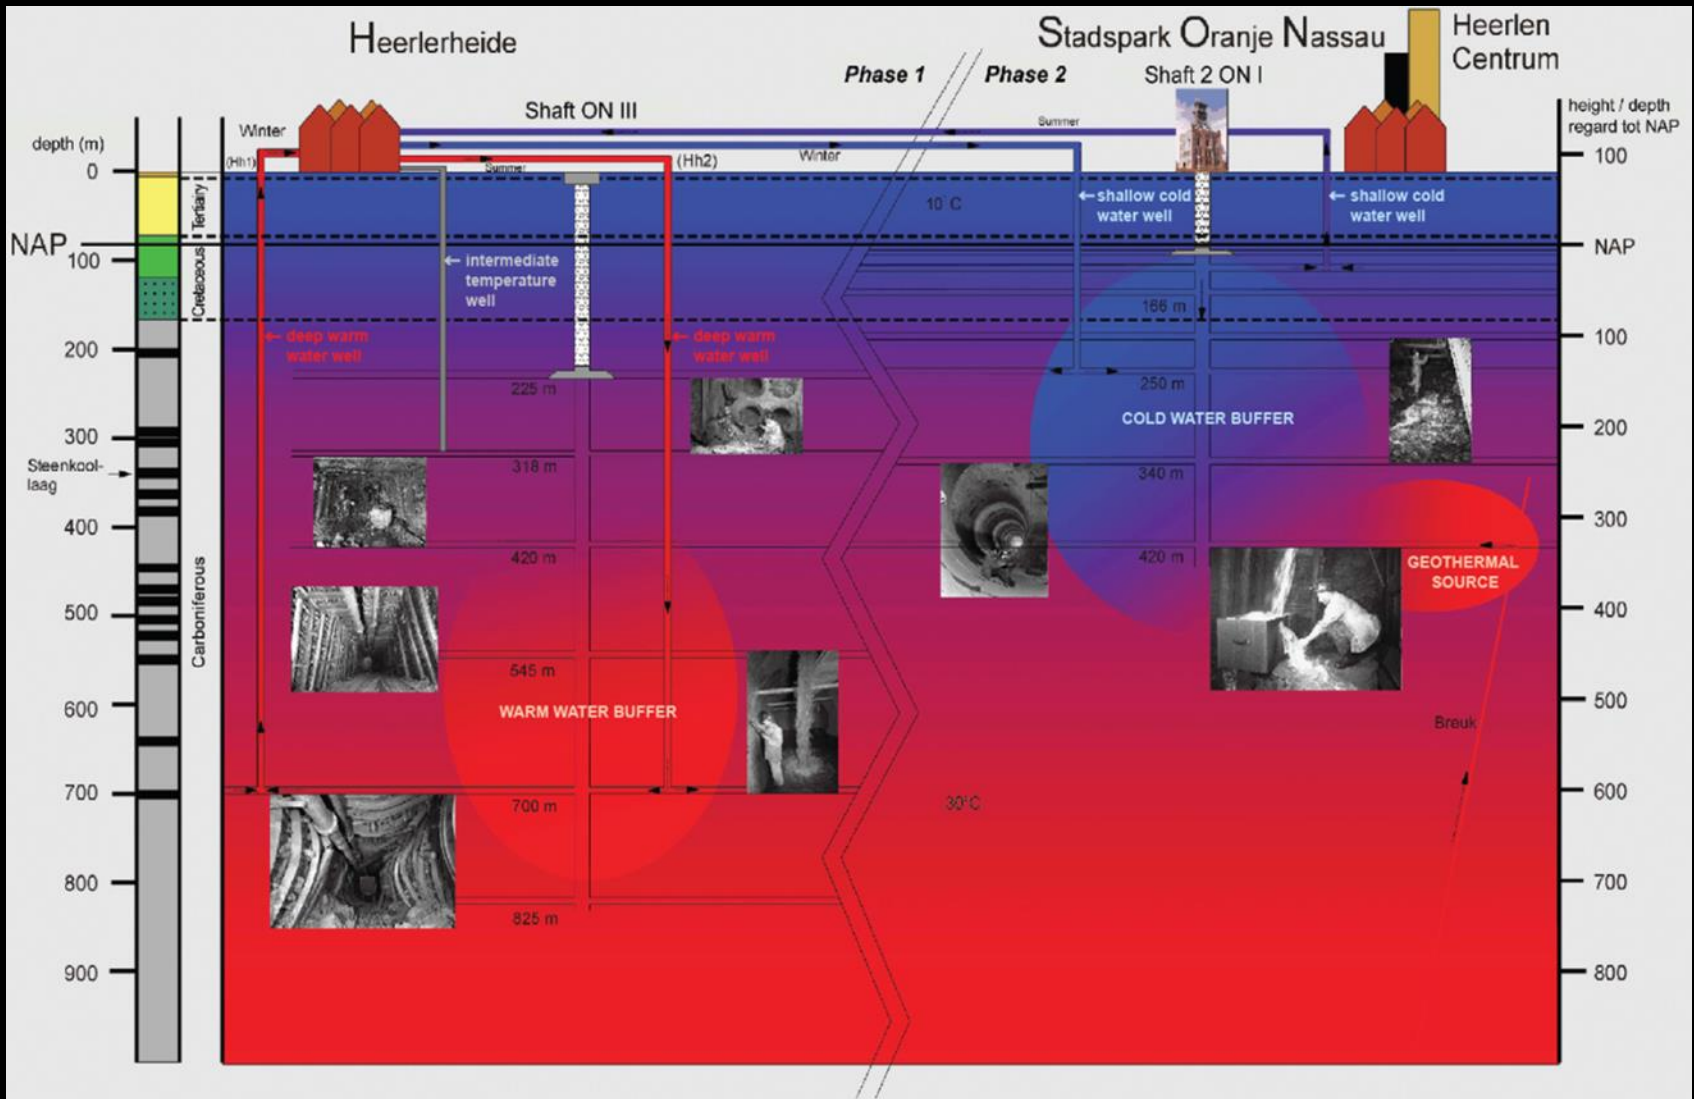

An EU Strategy on Heating and Cooling - SWD(2016) 24 final

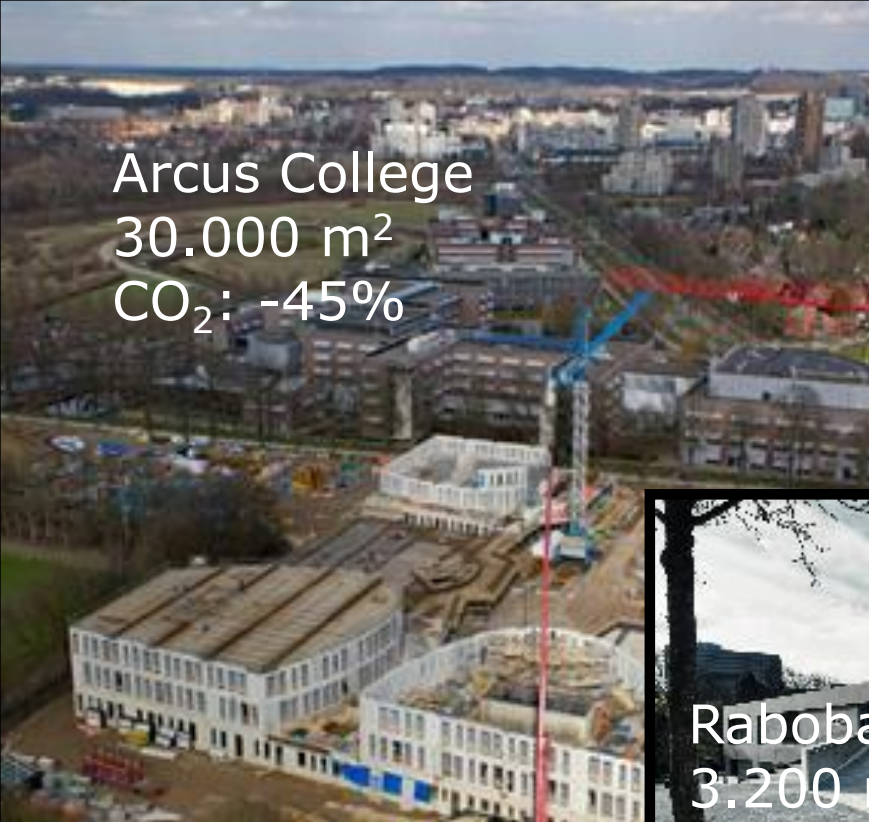

Mijn energie kwam uit steenkool, voor mijn kleinzoon er mijn water

Minewater Concept

Minewater – CO₂ Savings by Energy Exchange

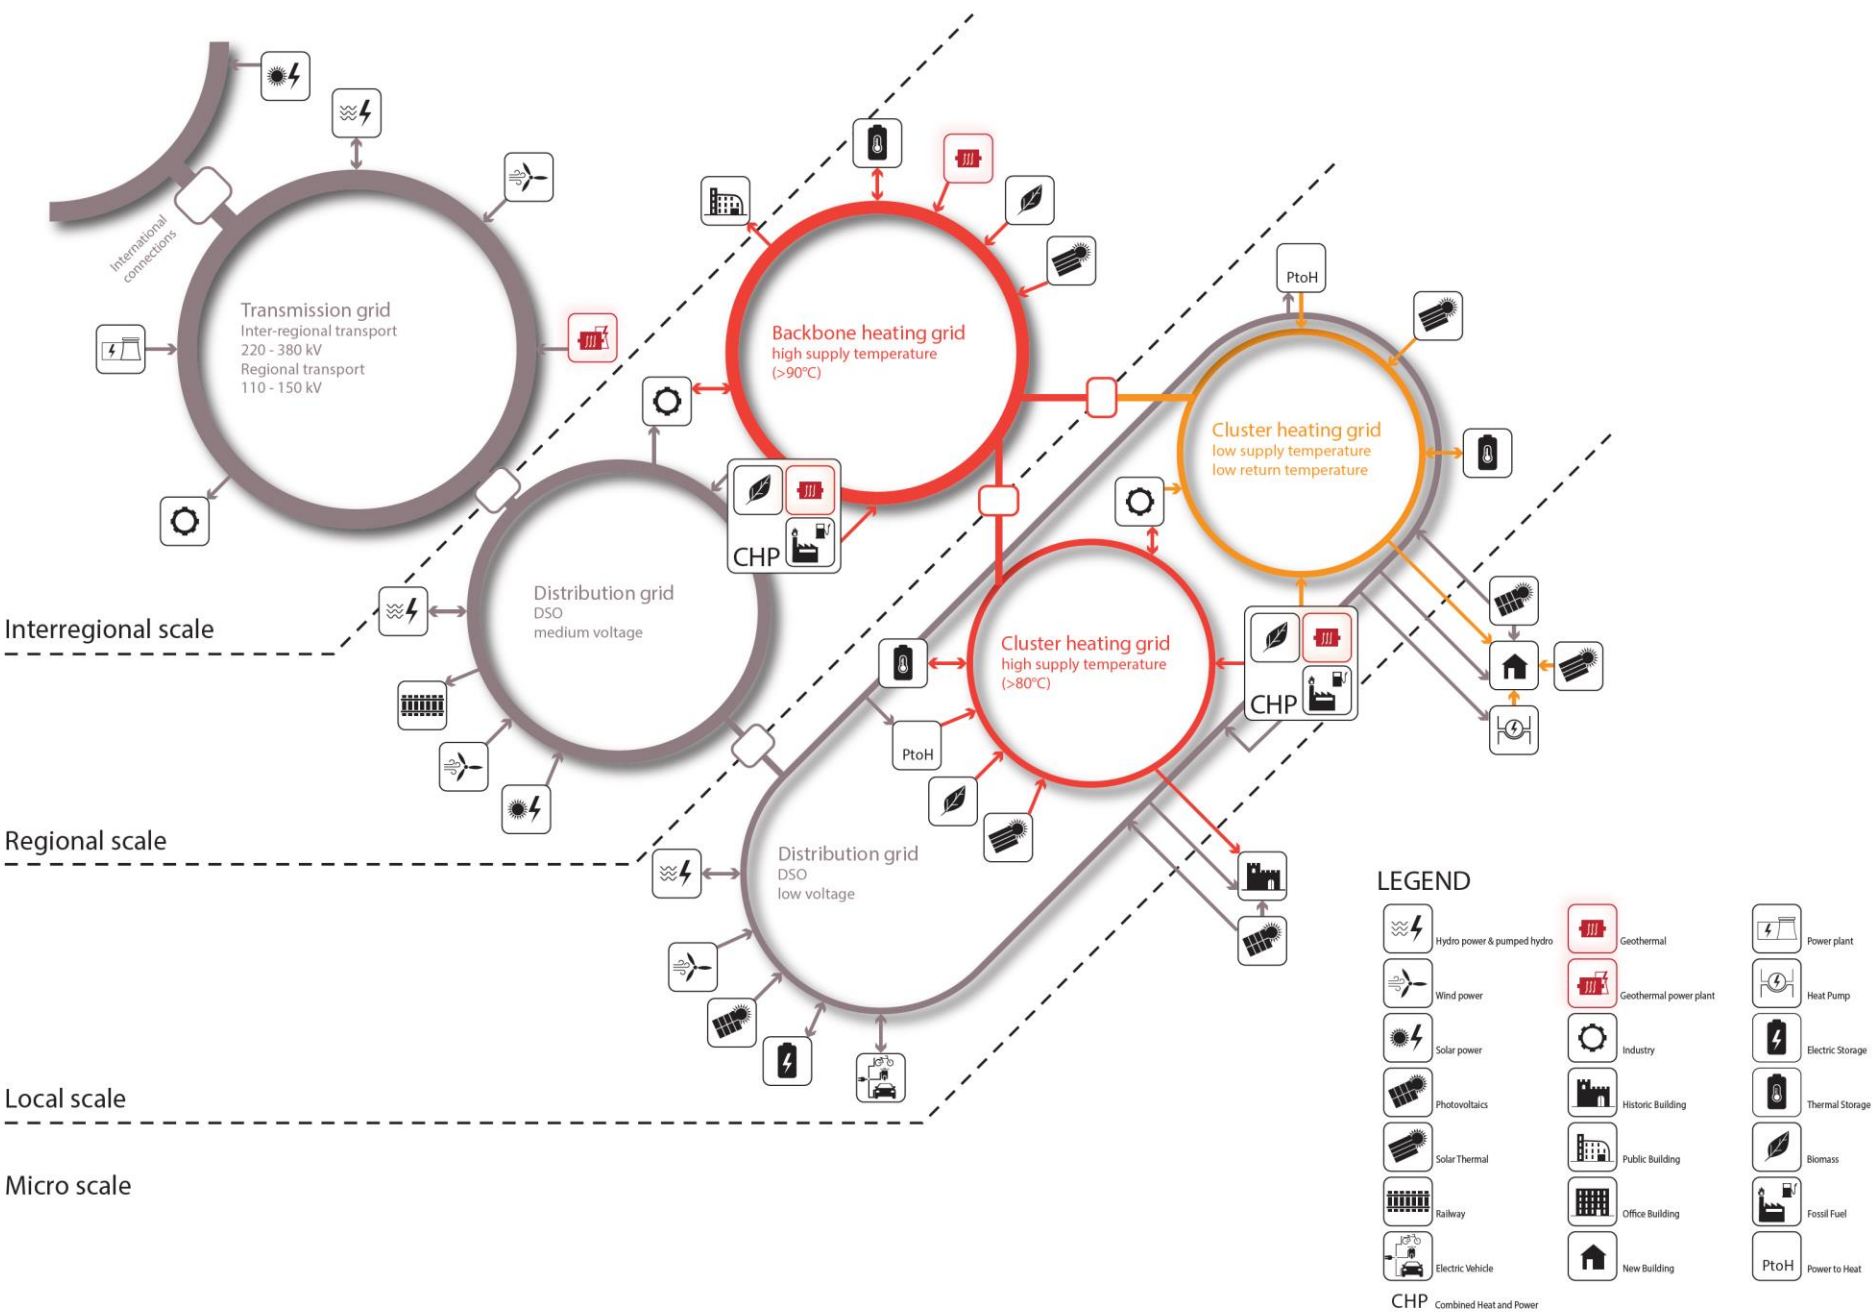

Arcus College
30.000 m²
CO₂: -45%

APG Pension Fund
32.000 m²
CO₂: -118%

Rabobank
3.200 m²
CO₂: -65%

ETIP DG, 2018. Vision for Deep Geothermal - <https://www.etip-dg.eu/publication/vision-for-deep-geothermal/>

“In the light of eternity time and economics become relative values.
What then counts is love for your fellow man and respect for God's creation.”
